

SHOUVIK DAS

Visionary UI/UX Architect | Spatial Web3D Developer | Media Creator
Email: shouvikdaswork@gmail.com | Location: West Bengal, India | Portfolio: shouvikdasportfolio.qzz.io

EXECUTIVE SUMMARY

Visionary UI/UX Architect and Spatial Web3D Developer with 4+ years of expertise engineering high-performance, spatial web ecosystems, hardware-accelerated Three.js 3D portals, and directing multi-channel media networks with 25,000+ followers.

CORE TECHNICAL & DESIGN COMPETENCIES

- UI/UX Architecture: Figma, Design Systems, Rapid Prototyping, Mobile-First UX, Glassmorphism, Micro-Interactions
- Frontend & Spatial 3D: Next.js 16 (App Router), React 19, Three.js, React Three Fiber, TypeScript, Tailwind CSS, Framer Motion
- Backend & Cloud Data: Supabase (PostgreSQL), REST APIs, Node.js, Vercel Cron Scheduling, Automation Pipelines
- Media & Cinematography: DaVinci Resolve, Adobe Premiere, Photoshop, Motion Graphics, Viral YouTube Thumbnail Architecture

PROFESSIONAL EXPERIENCE & CREATOR LEADERSHIP

Lead Web3D Developer & UI/UX Consultant | 2022 - Present

- Architected and engineered hardware-accelerated 3D spatial web applications with Next.js 16 and Three.js.
- Built sub-50ms caching pipelines using Supabase relational databases and Next.js Incremental Static Regeneration.

Founder & Lead Creator - Anime Nation India | 2021 - Present

- Produced 200+ high-retention video edits, manga analysis stories, and cinematic motion graphics.
- Scaled audience to 25,000+ subscribers across YouTube, Instagram, and Facebook with viral reach.

FEATURED PRODUCTION BUILDS

- AniSpectra: 3D Spatial Audio & Anime Streaming Ecosystem (Next.js, Three.js, Tailwind CSS)
- SVK Downloader: High-performance stream processing web utility with real-time UI
- 3D Physical Showroom: Hardware-accelerated WebGL product showcase with dynamic lighting

EDUCATION & CREDENTIALS

Bachelor of Computer Applications (BCA) | West Bengal, India
